“Feasts from the Heart” Meal Program

In many communities and cultures, it is traditional for friends and neighbors to prepare meals for their loved ones who are caring for a sick family member. It is an act of kindness that translates feelings of concern into a tangible expression of human compassion. The families that stay at Ronald McDonald Houses are often far away from family and other support systems that would help them through a difficult time, and cooking a meal for themselves may be low on their priorities. The chance for these families to sit down to a home-cooked meal is another way that makes the Ronald McDonald House truly a “home away from home” for families whose children are critically ill. As part of our outreach the High School Youth will be going to RMH on Feb. 21 and serve lunch to the families. (10:45am-1:30pm) Youth should RSVP with Aaron. 12-person limit.

Middle school youth will be at the NFC (Carolina Panthers) table, and the High School will be repping the AFC (Denver Broncos). So when you come to church on Feb. 7th bring a can of food or more, or \$ to support our cause. Place your gift at the table of your choice. We will be sending our gifts to Lutheran social Service of Long Beach.

Youth: Tables will be setup with team colors, if you wish you can bring more decorations (pom poms, signs, etc). After church help get things organized. Leave all the food in the narthex and it will be delivered on Tuesday. Plan on being at church at 9am to help with collection. St. Valentine's Rose Fund-raiser

Grocery Outlet, the new store in town, has invited CLC youth to be part of their Valentine's weekend Rose Sale. The youth and adults would sell Roses by the dozen out in front of their store on Spring and Palo Verde, Feb. 13, and 14. We will receive \$5.00 for every dozen that we sell. I will have shift times and signups emailed to you on Feb. 3. This is a great opportunity for us to be out in the community letting people know about our church and youth group.
