Generation Change

Thank you Shannon Timney for leading the Generation Change Bible Study, and to those youth who participated.

10 heart, youthful souls attended the showing of Pirates of the Caribbean on June 21 at the Harkins Theater in Cerritos. It was a Fund-raiser for Food Finders. Food Finders links donated food to pantries and shelters in order to bridge the hunger gap in our communities throughout Los Angeles, Orange County and beyond. Thank you Gary Burkard for the tickets. The group had a wonderful time.
