February 2018 Edition

From the Director...

It's tax season! Our **tax ID number is 95-2466926**. It is printed on your monthly tuition statements as well.

Our gates are finally up and working! While the gates add a level of security, the children are still expected to stay with the teachers at all times during school hours. In order to help reinforce this, please keep your child with you as well during drop off and pick up times and do not allow them to run freely around campus or play in empty classrooms. Also, just a reminder that our licensed hours of operation are 7am-6pm. Please keep this in mind when planning drop offs and pick-ups. Thank you for your help.

This month, we welcome our **new afternoon teacher, Ms. Lynna Grounds**. Please take a moment to introduce yourself to her in the afternoon.

We will have **Special Person's Day** on Thursday the 8th. On this day, each child gets to bring a special person (aunt, uncle, grandparent, etc) to school. We go to chapel together and then they can go around to all the different classrooms and participate in fun activities. Room 5 will be a Photo Shop to get your picture taken and decorate a frame, Room 4 books & games, Room 3 a candy shop, and Room 2 a flower and card shop. Don't forget to turn in your RSVP slips.

Valentine's Day will be celebrated by each classroom individually so please keep an eye out for information from your child's teacher or Room Parent. Valentine's Day presents us with a great opportunity to appreciate and value love. There are many kinds of love; love between man and woman, parent and child, friends, family, and of course God's love. Let us think about how much love is present in our lives and be warmed by it this month and always.

Our annual auction fundraiser, "**Tiaras & Bowties**" is rapidly approaching! It will be on **Friday, March 9th** at 6pm at The Grand Event Center in Long Beach. We are in the process of collecting donations which are due on February 23. We will begin selling tickets on February 11th. They are \$40 each. Just a reminder that **each family has a commitment to purchase 2 entrance tickets and \$20 worth of raffle tickets** to support this one and only fundraiser. If you have 8 people coming, you get a table and we will do a custom centerpiece featuring your child! The deadline to purchase tickets will be Friday, March 2nd. The auction is a wonderful and fun way to have a night out, get to know other CLP families, and get some great items at a great price all while supporting the school!

Wishing you a month filled with love!

Valentine's Day Melted Bead Heart

You'll need:

- pony beads (the translucent kind work best)
- metal heart cookie cutter
- drill or metal washer to make the hole
- string
- cookie sheet & foil

-Place the heart shaped cookie cutter on a foil lined or a cheap/old cookie sheet.

-Arrange the pony beads in the heart cookie cutter in a single layer so that the beads are touching one another.

-Bake in the oven for 10-20 minutes at 400 degrees or until the beads are melted. Make sure to open windows and have good ventilation or use a toaster oven outside.

-Allow to cool.

-Drill hole and tie a string/fishing line through to hang. (You can also put a metal washer or nut in the center when you are putting the beads in the cookie cutter. This will then hold open a hole when the beads melt.)
