

Raise the Roof Virtual Wine Tasting for Habitat for Humanity

Now through October 25, the Greater Long Beach Faith Coalition is promoting a Virtual Wine Tasting to support Habitat LA's work in Long Beach. Because we can't gather in person for the annual ***Raise the Roof Wine Tasting*** at The Wine Crush,

this virtual campaign will allow supporters to enjoy a glass of wine at home and will still help Habitat build homes. The Wine Crush has selected four special bottles for the virtual wine tasting and 20% of these wines will be donated to Habitat. In addition, financial contributions will help provide wood, blinds, doors, paint, shingles and more at the next build site in Long Beach. If you'd like to specifically support this project you may do so online here <https://app.mobilecause.com/vf/LBFaith> or contact Allison Brammer for more information sallisonbrammer@gmail.com or 562-419-3756
