Leader: Shannon Timney

Generation Change is an all-new suite of Bible studies designed to lead teens to a better understanding of God, themselves and their money—and how it all works together. In the three different teaching series, students are equipped with biblical principles to BE who God created them to be, DO more with their money, and GO out into the world ready to write their story. Lesson videos with Dave Ramsey and his daughter, Rachel Cruze, along with engaging hands-on activities, will bring new biblical and financial truths to this generation, making them a generation of change.
