

One way we praise God is with music. Every time you sing a song or hear an instrument play in worship today, draw a music note.

Pentecost 16

- Today is the **16th** Sunday after Pentecost.
- One symbol of Pentecost is a **tree**.
- Just like trees grow big and strong, our **faith can grow big and strong**, too!

God made trees to provide shelter. Color in all the animals and people that are getting shelter from this tree.

Jesus said “I want you to see the people who need help. Open your eyes. Use your ears. Help everyone you can!”

In today's story, God's faithful servant Lazarus goes to heaven. What do you think heaven looks like?

Draw what you think heaven looks like here.
